*The Planning Commission is nearing the end of their process. Staff encourages parties to attend this hearing in order to understand the reasoning for changed population and acreage numbers and how this may affect their properties. New maps are currently being created for the change in population numbers and should be available for viewing online by August 18, 2009. Population and acreage reports will be available for review online no later than 5pm on August 5, 2009.
